

INDRACO[®]

Company Profile.

ABOUT INDRACO

“We are what we repeatedly do. Excellence, then, is not an act, but a habit.”

Specializing in coffee for over half a century, INDRACO aims to create an experience and evoke feelings within each touch point in our customer's journey. From our products to our retail experiences as well as our F&B concepts, creativity and innovation remain at their core.

WE ARE INDRACO

Beginning in 1971, producing and distributing coffee, INDRACO continues to develop and expand its manufacturing facilities and distribution centers across Indonesia and Singapore.

With over 11 brands and 600 SKUs across coffee, ginger, and chocolate products, we continue to strive, innovate, and operate with ingenuity taught by our founding members in the ever-changing FMCG and F&B industry.

OUR VISION

Become a globally recognised company and obtain positive growth whereby accentuating our five core values of "Customer Focus", "Teamwork", "Integrity", "Resources", and "Innovation".

OUR MISSION

Provide supreme, top-quality products at competitive prices that meet and surpass consumers' needs.

OVER THE YEARS

1971

Established

Founded and established as UD. Intisari, with a small warehouse in Riau, Indonesia.

1977

Expansion To Surabaya

Added a new factory in Surabaya, Indonesia and rebranded as "INDRACO".

1996

Moved To Gresik

Moved all operations and manufacturing to INDRACO Driyorejo Factory, located in Gresik, Indonesia, with a larger footprint to accommodate the growing demand.

2000

Integration

Founded "Asiaterra" to handle the distribution of INDRACO products in Indonesia.

2018 - Now

Going International

Founded and established INDRACO Pte. Ltd. in Singapore to facilitate the distribution of our products overseas and capture the international market.

DISTRIBUTION

INDRACO Pte. Ltd.
Singapore

With a wealth of experience, INDRACO Pte. Ltd. has established strong relationships with distributors in Timor Leste, Hong Kong, China, and the Middle East and is committed to expanding its global presence and capturing more markets on an international scale.

MANUFACTURING FACILITIES

CERTIFICATIONS

We make sure all our operations are conducted according to the highest manufacturing and retail business standards.

ISO 9001 : 2015

ISO 9001 is the international standard that specifies requirements for a quality management system (QMS). Organizations use the standard to demonstrate the ability to consistently provide products and services that meet customer and regulatory requirements.

SCAI

The Specialty Coffee Association of Indonesia (SCAI) is a trade association that represents stakeholders of the Indonesian coffee Industry. This includes farmers, manufacturers, roasters, baristas, traders, exporters, cafes, coffee equipment traders, retailers, and government and private institutions.

HALAL CERTIFICATION

The Halal certificate is a document that guarantees that products and services aimed at the Muslim population meet the requirements of Islamic law.

GAPMMI

GAPMMI (Gabungan Produsen Makanan Minuman Indonesia); is an Indonesian Food and Beverages association, especially for producers/manufacturers.

AEKI AICE

AEKI (Asosiasi Eksportir Kopi Indonesia) - AICE (Association of Indonesian Coffee Exporters and Industries); is an association for Indonesian companies that exports coffees to the global market.

GAEKI - ICEA

GAEKI (Gabungan Eksportir Kopi Indonesia) - ICEA (Indonesian Coffee Exporters Association); is a government-approved Indonesian Coffee Association for coffee exporters.
